Falcon

DESTINATION
DEARBORN

Just a few slight modifications can really take a Falcon to the next level, expressing the owner's creativity while remaining true to the Falcon's origins and roots. You couldn't find a better example of a simple, original looking car that has been tastefully tweaked than this 1970½ Falcon. At first nod, the Calypso Green paint shimmers in the sunlight and sets just the right mood for this unique Falcon.

Jay Vance of Muncie, Indiana is the whimsical creator of this car's personal character. He bought it in 1992 from the original owner and has been expressing himself via the Falcon since.

When he found it, the color was Bittersweet Orange but it was original and complete. Jay says he's "always had Falcons" and has a 1968 and '69 at home. He plans to restore the '68.

The interior is the original black, everything except the carpet, which has been replaced. It came with a six cylinder 250 engine, which he has replaced with a 302. The wheels and paint are another example of a successful modification, suiting, not overwhelming the Falcon.

And speaking of paint! From a distance, and not too far a distance, the chrome looks familiar, but quirky

enough to take a second look. That's when you begin to realize that this Falcon is one of a kind.

All the "chrome" on the car is painted. And well painted too. The wacky Ford emblem and altered Falcon script will make you smile.

Jay has rechromed the bumpers, painted it the lively Calypso

PRESIDENT'S MESSAGE: CHUCK BEASON

Spring-time is approaching and it is time to get your Falcons out of winter storage and get them out on the road to the many events

scheduled around the country. When attending these events don't forget to carry along your "Did You Know There Was A Falcon Club" cards and

any extra copies of The National Falcon News. We need new members for the future of our club. I know that when we display our Falcons in a group we get lots of attention and rightly so. This is an opportune time to sign up new members. So, get those Falcons out on the road and let everyone see them.

I would like to remind the Chapter Presidents to send their updated current Chapter Membership Roster to their respective Regional Director. This action is a requirement of the FCA bylaws. I would also like

to remind everyone that you must be a member of the Falcon Club of America in good standing to belong to a local Chapter of the Falcon Club of America.

It is not too late to plan to join us in Pensacola on March 23-24 for The 4th Regional Falcon Meet being hosted by the Southern Coast Chapter of the Falcon Club of America. There will be several other Car Shows taking place at the fairgrounds which should give our Falcons on display lots of lookers. Pensacola is the home of the "Naval Air Museum" and the home of the World Famous Blue Angels Flight Demonstration Team. Carolyn and I will be there and hope that many of you will join us.

The 33rd Annual National Convention of the Falcon Club of America is being hosted by the Bluegrass Chapter, the Ohio Valley Chapter and the Hoosier Chapter and they promise with three Host Chapters there will be three times the fun.

Members of the Host Chapters are busy with plans for a great weekend in July 2012. We hope you are planning to join us in Louisville for a great weekend.

Your 2012 Falcon Club of America Membership Directory is packaged with this issue of The National Falcon News. Thanks to Denise Sword, Corresponding Secretary, for organizing the data, Editor Wendy Crosby for editing and designing the directory format, and Vice President Cliff McKay, Paul Hartlieb and Jim Wilkerson for proofreading services.

Please take this opportunity to review your entry and notify the Corresponding Secretary of any changes in your address, phone or car information.

Don't forget to take a kid to a car show soon!

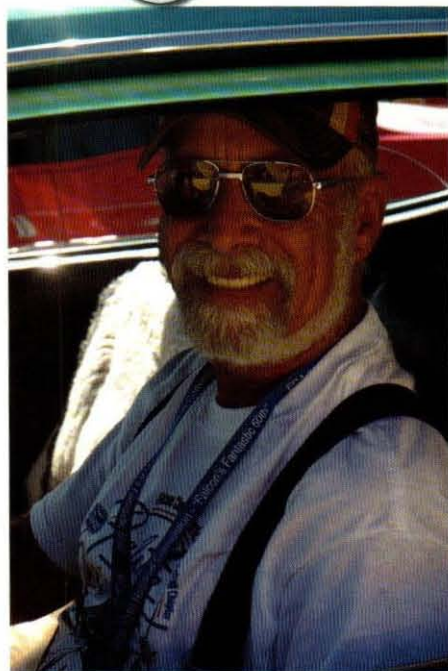

-Chuck & Carolyn

Jay's Falcon stood out on the packed show field at the Dearborn National Meet. He enjoys talking with other Falcon folks and says he has "always had Falcons and been around cars." His license plate reflects the tongue-in-cheek attitude of the Falcon.

Green, fixed dings and malfunctions and replaced the carpet. The exterior trim was in such bad shape that he took it to someone to be painted. The hardest part was painting the car "the first time" but he got it right in the end.

The interior is so simple, it's sublime. In keeping with the "Space Age" mentality of the 1970s and its effect on design, this Falcon fits right into its time slot. Black background and silver hardware make the interior feel like a cool cave, even in the July sun. He drives it instead of trailering because "that's the fun of it."

Jay has owned 13 Falcons in all and he definitely has the car gene in his blood. His Dad has Model As and a 1936 Ford pickup.

He works on the railroad but finds time to drive the Falcon to car shows and cruise-ins where it receives lots of positive comments from admirers, and most important, those smiles.

Southern Coast Chapter Spring Regional Meet

The Southern Coast Chapter puts on an excellent Regional Meet which is attracting more Falcons every year. The Chapter has been diligent in sending their registration forms into The National Falcon News in a timely manner, but for some reason, the last few have not been placed when they should have been! Operator error on the Editor's part for sure!

This year the Regional is being held in Pensacola, Florida and will feature more Falcons than ever! If you have a chance to attend the show, you will be rewarded by seeing many remarkable Falcons and the nice people that go with them.

Make your plans and be sure and attend this fast growing meet! If you can't make it this year, please mark your calendar for next year, when the form WILL run in a timely fashion. Editor apologizes for the oversight and swears it will not happen again.

For a video from last years show, go to http://www.youtube.com/embed/m3_ihmFFm7c

1965 four door Falcon wagon wanted. Am looking for a wagon whose exterior is white or turquoise, with a blue or aqua/turquoise interior. I'm in Colorado but will pick it up from anywhere in the lower 48. Please contact Whitey Hagadorn at hagadorn@gmail.com or 413-348-1176.

WANTED: a 1963 Falcon Sprint convertible in #8 condition or better. John Clickner, 616-846-4757, or 231-557-2484 in Grand Haven, MI 49417.

Wanted: 1965 or 1964 Ranchero. Must be mechanically sound. Paint and upholstery are not important. I joined FCA specifically to find a daily driver from a trusted source at a reasonable price. Thanks for the responses so far, but I'm still looking. Bernie Powers, gbpowers@aol.com (subject: Ranchero) or 904 387-9990 (9-5). FL. FCA#14226.

INFORMATION WANTED

Hi, I've been a member of your club for many years, member #132. I really enjoy your news letter. I have a question for the members. I have a 1963½ Sprint that is all original, I'm looking to put the biggest rims and tires on the car for a new look. Would like aluminum rims. Car is pretty stock with stock suspension. What is the rim offset and tire size needed? Don't care if front and rear tires are different size. Hope someone can help, Thanks, Tim, 585-738-4544. Thanks Again. Rochester NY.

I would like input from knowledgeable Falcon Club members regarding the power steering installation on my 1965 289 V8 Ranchero. Is the truck too light and the driver might lode road feel? Is it too easy to oversteer with power? Is

there something other than full power? Thanks for any help. Jerry, papasfalcon@aol.com. CA.

Final Journey: Gary Fuerst

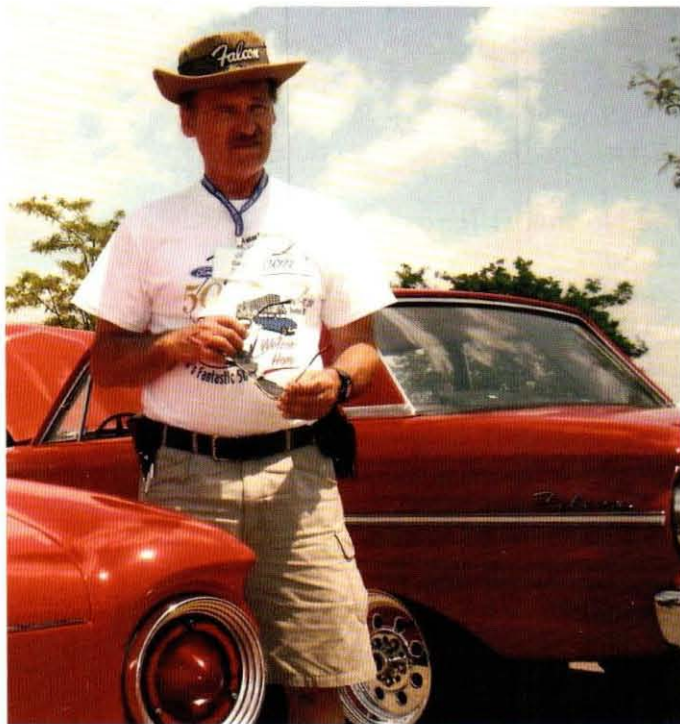

Gary Fuerst (FCA #900) passed away peacefully on January 12, 2012 after a year long battle with brain cancer. He was a member of the FCA for over 30 years and a charter member of the Wisconsin Chapter, The North Central Falconeers. As president of this chapter he was the driving force behind organizing and running the 7th and 13th national conventions. (Appleton and Milwaukee)

Gary was a true family Falcon person and made countless lifelong friends through the club. His first car was a 1961 Falcon sedan and through the years he has owned a 1963 Tudor deluxe sedan, his baby that was at the majority of Nationals, a 1961 Ranchero which served as a Daily driver for 15+ years, a 1967 Sport coupe, 1967 Club Wagon, and a 1961 Tudor wagon.

Gary was all over the parking lot at Falcon events. He never met a stranger. He always helped anyone find parts or make repairs to their cars. Gary is survived by his wife Sheri, daughter, Angela, son Erik and daughter-in-law, Trisha. His Falcon tradition will be carried on by his son, Erik who proudly owns a 1963 red four door sedan sporting a modified inline six.

Thanks to all the club members who signed the get well card for Gary in Steamboat, sent condolences after he passed and attended the memorial service.
